## What is the DTRA Resource Library?

DTRA has created a library of resources, ranging from white papers and peer-reviewed journal articles to regulatory documents that can be used by our greater DCT community. The library is sortable by therapeutic area, topic, type of publication, and more. Please share resources with DTRA that you think should be part of this library so we can continue to grow and expand this repository.

Resource Type	Search...
General Topic	Rainbow SPARX: A novel approach to addressing depression in sexual minority youth <a href="#">View</a>
Solution / Service Offering	The mPower study, Parkinson disease mobile data collected using ResearchKit <a href="#">View</a>
Region	Pharmaceutical perspective: how digital biomarkers and contextual data will enable therapeutic environments <a href="#">View</a>
Therapeutic Area	Incorporating site-less clinical trials into drug development: a framework for action <a href="#">View</a>
Phase	Facebook Advertising to Recruit Young, Urban Women into an HIV Prevention Clinical Trial <a href="#">View</a>
Trial Type	Clinical trials go virtual, big pharma dives in <a href="#">View</a>
